# **SABAH Oil & Gas Leadership Conference**

Friday, 22nd April 2016  
STAR Kota Kinabalu, Sabah.

**“Leading & Sustaining the  
Sabah Oil & Gas Agenda”**

**Teroka Asia Sdn Bhd (TEROKA)**  
in collaboration with  
**Ministry of Industrial Development**

## 1. Introduction

The Oil & Gas Leadership Conference is organised in Kota Kinabalu, on the **22nd April 2016**. The purpose of this conference includes the following:-

- a. as a forum to share Sabah's aspirations, plans and priorities with respect to the development of oil and gas industry in the State,
- b. to enable meaningful exchanges from the sharing of hands-on experiences when executing major Oil & Gas projects world-wide,
- c. to share useful insights on what are the priorities with respect to the local communities when executing major projects.

The theme of this conference is "Leading and Sustaining the Sabah Energy Agenda".

## 2. Organiser:

Teroka Asia Sdn Bhd (TEROKA) in collaboration with the Ministry of Industrial Development, Sabah (MID).

## 3. Sponsor:

Teroka Asia Sdn Bhd (TEROKA)

## 4. Participants

Attendees will be by invitation from the various organisations that are related and have authorities on the Oil and Gas industry in Sabah. This includes the Ministry of Industrial Development, Sabah (MID); Sabah Oil & Gas Industrial Park (SOGIP); Environmental Protection Department, Sabah (EPD); Malaysian Petroleum Resources Corporation (MPRC); University Malaysia Sabah (UMS), Local reps of Petronas, Shell, Murphy Oil, etc., TEROKA personnel & close business associates. The total number of attendees is expected to be approximately 100 people.

## 5. Date & Venue

Date: **Friday, 22nd April 2016.**

Venue: **Shangrila Tanjung Aru Resort, Kota Kinabalu.**

## 6. The Keynote Address

The keynote address will be delivered by the YB Minister of Industrial Development. This address covers the key strategies in developing the Oil and Gas Industry and Sustainable Development in Sabah, and Human Capital Development which is the key enabler for Sabah Oil & Gas.

## 7. The Papers

The presentations will cover three main tenets of project implementation which are of equal importance,

- a. **Building Capacity on Technical Integrity Assurance for Major Projects,**
- b. **Managing the safety and integrity risks to the community and the environment,**
- c. **Contributing to the local Economy & ensuring business success.**

The papers will give insights on the oil and gas development from reputable speakers from the Ministry of Industrial Development Sabah, SOGIP, UMS, NBSR, TEROKA, JMJ Associates, Amec-FW. Papers are short, practical, and cover hands-on topics & experiences & discover how major projects were developed and progressed, turning potentials into commercial realities.
